his secrets for finding and forming relationships with some of the world's most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, *The Game*. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from "average frustrated chumps." *The Mystery Method: How to Get Beautiful Women Into Bed* shares tips such as: \*Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention. \*Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. \*Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet

anyone you want. \*Smile. Guys who don't get laid, don't smile.

**Guide**-George Moufarrej  
2014-12-01 Many people subscribe to the myth that chemistry between a man and a woman just happens. This book describes in detail how a man can

approach a woman anywhere he meets her and create chemistry between them. This book shows in detail how a man can seduce the woman and get her into bed after he has created chemistry with her. He can do so regardless how he looks, or what his financial situation is. This book is written in simple language, so that an ordinary person would understand. This book enables any man regardless of his looks, or financial situation to seduce the most beautiful women. This book will change the life of every man that reads it.

### **How To Get a Girl To Like You-**

Willis Combs 2014-09-26 This is not a book about pick up lines, being taller, using pheromones, positive thinking B.S., or even going to the right places to meet single women. You see, the plain truth is that it is much more fruitful for you, if your work on making yourself attractive to women, than keep looking for the right places to meet women. If you can make yourself attractive to women, than you can effortlessly and naturally attract any and all women, regardless of any sausage fest conditions you may find yourself in. And without any hard work, black voodoo magic, or making a deal with the devil. In this book we will reveal all the dirty little secrets to making yourself attractive to every woman and shift your perspective from looking for women, to finding the right woman. Listen, there are 3

components we will go through in detail in this book, a philosophical, strategic, and behavioral component. You see, women aren't concerned with how good looking you are, or even how much money you make. This is why women date cheaters, criminals, and drug dealers. Look, if you can follow this simple guide to make yourself magnetic to every woman, it doesn't matter how good looking you are, your age, height, weight, ethnicity, race, religion, or creed. You will create recurring passive streams of sexy single women all banging on your door, wanting to hang out with you, date you, make out with you, and even sleep with you. In this book we will cover: - Why women like a-holes, jerks, and bad boys - How to talk to women - How to be confident - How to be a ladies man - How to destroy approach anxiety - Exactly what to say her - How to ask her out - The #1 attraction killer - And more. Warning Yes, a warning. This is a blunt revelation of the plain truth to attracting women, and making yourself a magnet to every woman. This will offend the herd and if you cling to

the delusional belief that leprechauns ride unicorns on rainbows, and if only you make more money, get in shape, get taller, hypnotize her, or use the right pickup line then you will attract women, good luck. But if your ready to climb aboard and get on the fast track to using a simple proven, blueprint to effortlessly, and naturally attract women, let us commence at once.

**Why Naked Women Look So Good**-Bill Perkins 2013-06  
The magnetism a man feels when he sees a woman's body, that sensual urge, the surge of adrenaline, dopamine, and endorphins, isn't only given for a man's gratification, but to be channeled by a man to

love his wife. In this groundbreaking book, Bill Perkins identifies eight reasons why men are attracted to a woman's beauty. But he goes much further. Each answer to the question, why do naked women look so good, also reveals a woman's fundamental need and helps a man know how to meet that need. By identifying eight vital needs of a woman, and showing a husband how to meet them, Perkins provides guidance to help a man become irresistible to his wife and for living more creatively and sensitively. Chapters are organized into three parts for easy reference. The first part provides one reason why naked women look so good. The second part identifies what need this reveals in a man's wife. And in the third part, simple steps are provided to help a man love his wife in a way that strengthens her self-image, builds her confidence and allows her to more freely give herself to her husband--both emotionally and sexually.
