Sharpe's Prey: The Expedition to Copenhagen 1807 is Bernard Cornwell's 2007 book in the Sharpe Series. In this book, Lt. Richard Sharpe, newly promoted to Captain, is ordered by the Duke of Wellington to capture Copenhagen. Sharpe leads a force of Portuguese volunteers and a unit of Black Watch to join forces with the Danish army and challenge the French in a decisive battle.

The novel opens with Sharpe's capture of Copenhagen and the subsequent defeat of the French army. Sharpe's new position as a captain brings new responsibilities and challenges, including the need to balance the demands of his superiors with the needs of the soldiers he leads.

In order to finance the Duke of Wellington's next campaign against Napoleon and his forces, Richard Sharpe undertakes to steal a large sum of money from the French treasury. However, Sharpe soon realizes that the situation is far more complex than he had anticipated, and he must rely on his wits and his courage to survive.

As Sharpe and his men make their way across Europe, they face a series of challenges and dangers, including treacherous terrain, enemy forces, and their own internal struggles. Sharpe must navigate a complex web of politics and strategy in order to achieve his goal, and he must also confront the personal demons that have haunted him throughout his military career.

In the end, Sharpe's Prey is a thrilling and action-packed tale of adventure and adventure. Bernard Cornwell's masterful storytelling and vivid description bring the world of early 19th century Europe to life, and his characters are memorable and engaging. Sharpe's Prey is a must-read for fans of historical fiction and adventure.
