Virginia Woolf and the Fictions of Psychoanalysis

Virginia Woolf (25 January 1882 - 28 March 1941) was an English writer, and one of the most prominent novelists of the 20th century. She is best known for her novels Mrs Dalloway, To the Lighthouse, and Orlando, and for her essays and other non-fiction works such as A Room of One's Own. Woolf was a member of the Bloomsbury group, and her work was part of the modernist movement in literature. She is known for her innovative use of stream of consciousness as a literary technique, and for her contributions to feminist literature.
