Acting Is Believing - Ronald Rand 2017-05-30 Curated by U.S. Goodwill Cultural Ambassador Ronald Rand, this extensive collection of his rare interviews captures the essence of Hollywood's golden age. Rand was present at the dawn of the film industry and was a personal assistant, close associate, and fan of many of the stars of the Golden Age. He also interviewed famous directors such as John Ford, Frank Capra, and Howard Hawks.

The book contains a wealth of information about the stars and directors of the Golden Age, as well as Rand's personal recollections of his time in Hollywood. Rand's interviews with the stars provide a unique perspective on their lives and careers, while his interviews with the directors give a glimpse into the creative process behind some of the greatest films of all time.

The book is highly recommended for fans of classic Hollywood, actors, directors, and anyone interested in the history of film. It is a valuable resource for anyone seeking to understand the origins of the film industry and the people who helped shape it.

Acting - The First Six Lessons - Rod McDeaver 2013-08-15 "The First Six Lessons" is a collection of essays by Rod McDeaver. Written in the form of a series of lessons, the book covers a variety of topics related to acting, including the importance of studying the text, understanding the character, and developing physical and vocal techniques.

The book is divided into six lessons, each focusing on a different aspect of acting. The first lesson covers the importance of studying the text, while the second lesson discusses the role of the character in the production. The third lesson looks at the physical and vocal techniques used by actors, while the fourth lesson covers the importance of creating a character from the inside out. The fifth lesson focuses on the role of the director in the production, while the sixth lesson discusses the importance of maintaining a healthy relationship with the audience.

The book is highly recommended for anyone interested in learning about acting, including students, teachers, and professionals in the field. It is a valuable resource for anyone seeking to improve their skills as an actor or director.

bestselling author and a loyal, protective lover. But Stephen is a woman, and is attracted to women. As her desires drive her, and society incarcerates her, Stephen is forced into desperate actions. Although Gordon's attitude toward her own sexuality is anguished, the novel presents lesbianism as natural and makes a plea for greater tolerance. It became an international bestseller, and for decades was the single most famous lesbian novel.
