Straight to Hell-Jane Hinchey 2017 Everything you think you know is about to change. My name is Lucifer. You can call me Lucy – I’m also known as the Devil and Satan, though why my idiot brothers came up with those nick names is beyond me. I’m a Guardian Angel and I run Hell. Yup, I’m the CEO. Hell is easy. Hell runs like a well-oiled machine. Punishment befitting your sins is carried out and once your sentence is done, voilà, you get to go to Heaven. Simple. Easy. Until suddenly there’s a blip on the radar. A breach. Some numb nits on earth is trying to open a portal to another dimension. Some very badly, very terrifying, very deadly dimension. So instead of my simple life in Hell I end up earth side, where nothing is as it seems, looking for the soul stealing monster, avoiding the grumpy angel sent from Heaven and finding out my brothers Michael and Gabriel are twats. That last part’s not true – I’ve known they were twats all along. With an unexpected fondness for my new human friends as a distraction, and my demonic presence stirring up a shit show of epic proportions, all I want to do is go back to my peaceful life in Hell. But someone has to save the world. It may as well be me.

Hell's Gate (Book 1 in New MULTIVERSE Series)-David Weber 2006-10-31 The vast Union of Arcana has expanded its wealth and power by laying claim to one uninhabited planet after another through the portals linking parallel universes, until they discover a new portal that leads to another human society, Sharona, which has also been exploring the Multiverse and is dedicated to science rather than to magic.

Hell's Gate-David Weber 2006-11-01 They Thought They Knew How The Universes Worked THEY WERE WRONG In the almost two centuries since the discovery of the first inter-universal portal, Arcana has explored scores of other worlds . . . all of them duplicates of their own. Multiple Earths, virgin planets with a twist, because the "explorers" already know where to find all of their vast, untapped natural resources. Worlds beyond worlds, effectively infinite living space and mineral wealth. And in all that time, they have never encountered another intelligent species. No cities, no vast empires, no civilizations and no equivalent of their own dragons, gryphons, spells, and wizards. But all of that is about to change. It seems there is intelligent life elsewhere in the multiverse. Other human intelligent life, with terrifying new weapons and powers of the mind . . . and wizards who go by the strange title of "scientist." At the publisher's request, this title is sold without DRM (Digital Rights Management). "Packs enough punch to blast a starship to smithereens." ™Publisher's Weekly on David Weber's "Honorverse" series "It is impossible not to be entertained, delighted, even enthralled by this splendid piece of storytelling." ™Booklist" . . . an
outstanding blend of military/technical writing balanced by superb character development and an excellent degree of human drama . . . very highly recommended." ¾Wilsin Library Bulletin

**Hell's Gate**-Stephen Frey 2009-08-18 Giving up his high-stakes career to relocate to Montana, divorced litigator Hunter Lee joins an elite team of parachute firefighters and learns a sordid local secret regarding arson fires for which lives are forfeited in exchange for insurance payoffs.

**Ride to Hell's Gate**-Ralph Cotton 2008 Drowning his sorrows in alcohol after the death of his beloved Rosa, Lawrence Shaw, once the fastest gun alive, gets a second chance at life when he starts working on a ranch, but the brutal Barrows Brothers Gang has other plans for him. Original.

**Hell's Gate**-Richard Crompton 2015-06-02 It must have been Otieno's idea of a joke. Too many offended egos back at headquarters, too many influential people unhappy with him in Nairobi. And yet, with his record, he was almost impossible to dismiss. So Otieno had sent Mollel straight to Hell. When we first met Detective Mollel in Hour of the Red God, he was heralded as "a wonderfully complex and tragic protagonist" (Booklist), and Richard Crompton's novel called "spellbinding" (The Christian Science Monitor) and "a fantastic read" (The Plain Dealer [Cleveland]). Now Mollel returns in Hell's Gate, only this time the Maasai warrior-turned-detective has been banished from Nairobi, Kenya's bustling metropolis, to a small, fly-blown town on the edge of a national park. His career, he thinks, has taken a nosedive. His colleagues on the police force are a close-knit group and they have not taken kindly to a stranger in their midst. Mollel suspects they are guilty of the extortion and bribery that plague the force. But when the body of a flower worker turns up in the local lake, he begins to wonder if they might be involved in something even more disturbing. For all is not as it seems in Hell's Gate. Amid rumors of a local death squad, disappearances, and blackmail, Mollel is forced not only to confront his Maasai heritage but also to ask himself where justice truly lies. In upholding the law, is he doing what is right? Crompton captures contemporary Kenya in all its complexity, and Hell's Gate is a captivating novel that you won't be able to put down.

**Hell's Gate Cemetery**-Willie H. Taylor 2008-11-04 "Somehow, someway, we will find a way to break the curse of this world!" The struggle between good and evil is eternal. And it's about to visit a small town near Las Vegas, Nevada. The son of the devil has come to wage war against the human race and to bring suffering to the Earth. Known as the Beast, his plan is devious and evil, and he knows it will fulfill his fervent desire to please his father. He spreads death and destruction upon the inhabitants of Paradise, Nevada, causing fear and terror wherever he roams. But there is a small army of supernatural protectors bent on sending the Beast back to whence he came- if they can only overcome the horrifying power that he holds. The first in a thrilling new series, Hell's Gate Cemetery is a spine-tingling tale of the ultimate good vs. the ultimate evil in a battle that will determine the fate of the entire human race.

This sizzling urban fantasy romance takes you on a journey through Hell (hint: it's not what you'd expect) and topside where Lucy gets to business straightening out souls - oh and there's the small matter of a soul stealer on the loose, not to mention the distraction of hot and hunky psychic, Levi!

**Hell's Gate (1984-1999)**-Hussein Hamid Hussein 2018-06-27

**Hell's Gate**-Richard E. Crabbe 2014-01-07 A riveting tale of river piracy, gang wars, and the worst catastrophe to hit New York City before September 11, 2001 In 1904 the Hudson and East Rivers were vital to the people of Manhattan. They offered families an escape from the squalor of the tenements, politicians a means of catering to their constituents, and criminals a means to make a fortune in black-market goods. When Detective Mike Braddock foils a midnight heist led by the gangland thug Smiling Jack, the city honors him as a hero. But Mike can't forget Jack's final revelation:
the identity of a new mobster jockeying for position in the cutthroat world of New York's gangs. Mike is committed to bringing down this new criminal powerhouse before he takes power, no matter where his investigation takes him. He finds out quickly that he's not the only one who wants to take down this new gangster. A host of other mob heavies have their eyes on the same target, and they're more than willing to knock Mike out of the way to get there first. Full of action, double-crossing, and high-stakes mob warfare, Richard E. Crabbe's Hell's Gate brings readers to the rough-and-tumble streets of historic Manhattan, all set against the vivid backdrop of the greatest tragedy to strike New York until 9/11: the General Slocum disaster.

Hell's Gate—William W. Johnstone 2017-09-01 THE GREATEST WESTERN WRITERS OF THE 21ST CENTURY Raised in the wild. Armed to the teeth. Sam Flintlock is no ordinary bounty hunter. But sometimes even a man who sets traps for a living can step right into one. Sometimes the hunter becomes the hunted—in the ultimate kill-or-be-killed showdown from bestselling authors William W. Johnstone and J.A. Johnstone . . . ONE WEEK IN HELL After crossing the dry Arizona desert—and missing six meals in a row—Sam Flintlock is flat-out desperate. For food. For work. For lodgings. Luckily he finds all three in the high timber country east of the Mogollon River. A very young and pretty heiress, Lucy Cullen, has an unusual proposition for the bounty hunter. She will pay him cold, hard cash to spend one full week in the gothic mansion of her murdered uncle. What's the catch? The place is haunted . . . Flintlock ain't afraid of the dead. It's the living he's more worried about—namely Hogan Forde, the murderous Texas gunslinger who just happens to be skulking around town. Toss in a few unfriendly locals and a missing treasure map, and you've got all the makings of a pretty terrifying campfire story. The difference is, these restless spirits are very much among the living, and they've got Flintlock slated for his own afterlife . . .

First Blade—Jane Hinchey 2015-11-19 Georgia Pearce possesses remarkable psychic abilities. When she discovers an ancient dagger hidden in her workshop, she knows it can only mean one thing. Trouble. Trouble arrives in the form of Zak Goodwin, an entity more powerful – and definitely sexier – than any she's come across before. However, when a horde of dangerous vampires show up and threaten Georgia and her sister, she has no choice but to ask Zak for help. Along with a shifter cop, a band of vampire warriors, and her own psychic skills, Georgia sets out to stop the awakening of an immortal vampire who has the power to destroy the world -- and discovers that staying alive isn't nearly as dangerous as falling in love. If you like fast-paced paranormal romantic suspense, thrilling heroes, and sassy, kick-ass heroines then you'll love the first installment of the Awakening series by Jane Hinchey.

First Blood—Jane Hinchey 2017-07-11 Pregnancy isn’t easy when your baby daddy is a crazy overprotective angel-vampire hybrid and there’s a kidnapper on the loose. Georgia Pearce is with child, carrying a baby destined to begin the next generation of powerful witches. As if a mysterious prophecy and a new (dysfunctional) family wasn’t enough to deal with, all of Georgia’s hard work to rebuild her coven is ruined when witches start vanishing. Georgia investigates, only to find that the kidnapper has ties to her lover Zak Goodwin, and is more family than foe. He has big plans to turn the planet into heaven on earth, though his idea of heaven resembles hell more than paradise. The only one standing in his way? Georgia. As she fights to bring this dark angel down, she dives deeper and deeper into Zak’s forgotten past. The romance between them sparks and ignites, only to explode into a fire no one sees coming. Even Georgia’s powers aren’t enough to stop the evil that seeks to destroy her and her child. Has her magic finally met its match? The most suspenseful and shocking book in the Awakening series yet, First Blood is a hot and sexy urban fantasy full of action, magic, shifters, and adventure. This paranormal romance by author Jane Hinchey is certain to leave readers breathless.

Power of the Pen—Lewis Adam Wallace Jr. 2021-06-18 Power of the Pen: Volume 2 of 3 By: Lewis Adam Wallace Jr. Christ being taken down, beaten, and hung on the hill of Mount Calvary is still the best story told ever in the world. It's backed up with 16 years of research in many Christian books. But, with so many resources to draw from, sometimes it's hard to get all the facts and keep all the information straight. In an effort to bring the Lord's words to people who may not be so well-versed in the Bible, Lewis Adam Wallace Jr. took the years of research and translated it into language that's
easily understood by the masses. He hopes it starts a foundation of the Lord through Christ and enlightens those who are willing to receive what the Lord wants for their lives.

**First Witch**-Jane Hinchey 2017-01-21 Sometimes being a psychic vampire can, well, suck. And since Georgia was turned by her dreamy hybrid boyfriend Zak, she’s been wallowing in regret. But when her long absent Aunt turns up on her doorstep, convinced that Georgia is a witch, she has to pull herself together. In the meantime, the Witch Hunter has woken and he wants nothing more than to obliterate every last witch from the planet. Starting with Georgia and her Aunt. His plan of attack? Take control of Zak’s body. Zak not being himself has put a serious crimp in her love life, but there are other things to consider, like how to create the mother of all spells that will immobilize the Hunter – and save a coven of witches. To find the answers she seeks and recover what she’s lost will take all of Georgia’s courage and a touch of the power she feels flowing like electricity through her veins, but she’s up to the challenge. First Witch is the second book in Jane Hinchey’s paranormal romantic suspense series, Awakening. If you like hot vampires, sultry witches, and kickass action, you’re going to love First Witch.

**When The Violets Bloom**-SK Jansky 2020-09-10 It was, as Mark Twain called it the Gilded Age. Walter wasn’t as rich as the Vanderbilts or the Rockefellers, but he had a commodity that served him well - his daughter. Dolly had learned her lessons at Madame Floushair's School for Young Women. What they hadn’t taught her was her life was her own, not her father’s. And it all would have stayed buried in the past, but then, Pat Walker Lewis has a way of inviting ghosts to tell her their stories, and the music box wouldn’t let it rest. Someone wanted her to know what happens: When the Violets Bloom. This sequel to The Problem with Miracles takes you back to the Colton Family Mansion where sometimes the walls do talk.

**At Hell's Gate**-Ethan Black 2010-06-15 Conrad Voort’s family members have enforced the law in New York City for three centuries, since Manhattan was a Dutch colony. Raised from childhood to be a detective, he heads a vast cop clan, with its own code of honor and obligation. But now he faces his most dangerous adversary yet – a man who has the power to destroy the family and will stop at nothing to prevent Voort from uncovering a terrible new kind of crime. Detective Voort and his beautiful fiancée, Camilla, are kayaking New York City's Hell’s Gate, a treacherous section of the East River and graveyard for several centuries' worth of ships, when they spot a body floating in the water. The death seems related to a tragedy that happened in Hell’s Gate over two hundred years ago. But could it also involve something more modern, menacing, and international in scope? With the help of TV producer Camilla and his partner, Mickie, Voort pursues the clues. But something doesn’t feel right about the trail the dead man left behind. What starts out to be a complex investigation takes a sinister turn when Voort falls into the clutches of a man whose bloodless methods of persuasion have Voort stricken with real terror, for his family, his fiancée, and himself. But the man with the dead voice leaves Voort with few choices. Psychologically crippled, he can no longer confide in his fiancée or his partner. He must ignore the long-standing law of the clan -- and his brother officers -- and take action alone. Breathlessly paced and filled with Ethan Black's trademark explosive action, At Hell's Gate is a spellbinding new thriller that follows a man fighting to find the truth, save his family, and redeem himself.

Debacle in Eden - Portia Mnama Anthony 2016-05-18 This novel is a work of fiction. The main characters are pure inventions and imaginations of the author. It has no relations to anyone dead or alive as far as I know. The two countries and continent, which the novel is based on, are genuine United Kingdom, Nigeria and Africa. I lived in UK, while researching and writing this novel, so I relied on memories that were good, bad, ugly, travels, events, experiences from friends, families, neighbors, and many peoples accounts of natural, cultural, and social history of Africans and Nigerians in United Kingdom in the sixties through to todays UK. Such are the diversity and values of these sources to-me and other interested people who may be willing to know the facts underpinning the writing of this fiction. This work of fiction has a lot of raunchy, romantic and sexual scenes, which is based on experiences of young women, who arrived in UK and disapprovingly but, rather shockingly find out that UK is not exactly a county covered in milk and honey, but, rather it can be as daunting and has snapshots of vices as can be found in any other cosmopolitan town.

The one, who ends up with and reveals the contents of the black box, will be shocked at what they find.

**Heaven and Hell**-Bart D. Ehrman 2021-03-23 A New York Times bestselling historian of early Christianity takes on two of the most gripping questions of human existence: where did the ideas of heaven and hell come from and why do they endure? What happens when we die? A recent Pew Research poll showed that 72% of Americans believe in a literal heaven and 58% believe in a literal hell. Most people who hold these beliefs are Christian and assume they are the age-old teachings of the Bible. But eternal rewards and punishments are found nowhere in the Old Testament and are not what Jesus or his disciples taught. So where did these ideas come from? In this “eloquent understanding of how death is viewed through many spiritual traditions” (Publishers Weekly, starred review), Bart Ehrman recounts the long history of the afterlife, ranging from The Epic of Gilgamesh up to the writings of Augustine, focusing especially on the teachings of Jesus and his early followers. He discusses ancient guided tours of heaven and hell, in which a living person observes the sublime blessings of heaven for those who are saved and the horrifying torments of hell for those who are damned. Some of these accounts take the form of near death experiences, the oldest on record, with intriguing similarities to those reported today. One of Ehrman’s startling conclusions is that there never was a single Greek, Jewish, or Christian understanding of the afterlife, but numerous competing views. Moreover, these views did not come from nowhere; they were intimately connected with the social, cultural, and historical worlds out of which they emerged. Only later, in the early Christian centuries, did they develop into notions of eternal bliss or damnation widely accepted today. In this “elegant history” (The New Yorker), Ehrman helps us reflect on where our ideas of the afterlife come from. With his “richly layered-narrative” (The Boston Globe) he assures us that even if there may be something to hope for when we die, there certainly is nothing to fear.

**A Family Business**-Gregory Kilgore 2012-04 Gary Williams has lived a charmed life, moving up the retail corporate ladder easily on the coat-tails of his friend and mentor Ira Jacobs. It’s time for him to make his move and leave his comfortable office, wanting to make a mark in the retail business on his own. After a long search for the right opportunity, Gary finds what seems to be the perfect opening. He will take over a distressed, family owned, specialty retail chain; initiate a turn-around and advance it into greatness. The only challenge appears to be the owner, Dan Collins Senior, an eccentric and some say crazy entrepreneur, who Gary replaces. Dan Collins, the primary stockholder, first supports Gary and his new initiatives and then gradually goes from advocate to mortal enemy. Dan Collins will do whatever it takes to seize back and retain control of His’ business and if not through the normal business channels, then it will be through personal terror. Gary slowly enters a world of insanity and on into a nightmare, where he and his family are fighting not only for the business, but for their lives. Just how crazy is this crazy entrepreneur.

**Gates of Fire**-Steven Pressfield 2007-01-30 NATIONAL BESTSELLER • “An incredibly gripping, moving, and literate work of art, rarely does an author manage to re-create a moment in history with such mastery, authority, and psychological insight.”—Nelson DeMille At Thermopylae, a rocky mountain pass in northern Greece, the feared and admired Spartan soldiers stood three hundred strong. Theirs was a suicide mission, to hold the pass against the invading millions of the mighty Persian army. Day after bloody day they withstood the terrible onslaught, buying time for the Greeks to rally their forces. Born into a cult of spiritual courage, physical endurance, and unmatched battle skill, the Spartans would be remembered for the greatest military stand in history—one that would not end until the rocks were awash with blood, leaving only one gravely injured Spartan squire to tell the tale. . . . “A novel that is intricate and arresting and, once begun, almost impossible to put down.”—Daily News “A timeless epic of man and war . . . Pressfield has created a new classic deserving a place beside the very best of the old.”—Stephen Coonts

New Reaper in Town (Hellsgate #1) - Mina Carter 2021-01-01 She’s death incarnate. Love and romance aren’t on the cards. Are they? The latest in a long line of Reapers, Laney arrives in small-town Liberty expecting the usual 'reap and run' type of job. However, the small town holds far more secrets than she expects, plus a sexy as hell cop who blind-sides her reaper instincts big-time. When a lone lycan turns out to be a scout for a full-scale invasion, she can’t leave. Someone has to defend the town from the things that go bump in the night. It’s got nothing to do with the sexy cop. Honest... She’s not human. He doesn’t care... Burned out after working in the big city, Troy moved back home to Liberty to claw back a little of his soul. But the sleepy town has problems of the paranormal kind and the department has gone from calls about lost cats to boggarts in the basement. That was before the seriously nasty stuff moved in... When Laney shows up he’s not sure what she is, but he doesn’t care. She's tiny, delicate, and gorgeous. When he finds a werewolf looming over her in an alley, all his protective instincts flare up. He needs to get her home, keep her safe... Make her his. But is she the answer he’s been looking for to fill the empty spot in his heart or the most dangerous creature he’s ever met? A Continuing Story: Please be aware that Laney and Troy’s story is a serialized romance. Hell's Gate - Don Pendleton 1986 Near death from bullet wounds, Mack Bolan is pursued by professional killers intent on eliminating him

The Road to Hell - David Weber 2016-02-16 Entry #3 in the popular Hell's Gate series by 28 times New York Times best-selling author David Weber and Joelle Presby. The war between magically-gifted Arcana and psionically-talented Sharona continues to rage. The dragon-borne Arcanan assault across five universes has been halted at Fort Salby by a desperate defense, but at atrocious cost. One of those costs was the life of Crown Prince Janaki, heir to the newly created Sharonian Empire, who went knowingly to his death in the tradition expected of the House of Calirath. And another price will be the sacrifice of his younger sister, Grand Imperial Princess Andrin, now heir of Sharona, for the accords creating the Sharonian Empire require the marriage of the heir to the Crown to wed a Uromathian prince. Andrin bears her family's Talent, the Glimpses, which show flashes of events yet to come. She knows the accords must be secured... and like her brother, she will pay any price, make any sacrifice for her duty to her people. Sharona's soldiers dig in, facing the Arcanans in a tense standoff which cannot last long. Both sides continue rushing reinforcements towards the front, but how do armies fight wars when they can reach one another only through the portals which join the universes? And far, far behind the front, carried by dragons, a young Voice name Shaylar and her husband Jathmar hurtle deeper and deeper into Arcanan captivity, their only protection the fierce personal honor of the Andaran officer whose men massacred all of their companions in the horrendous misunderstanding which began the entire conflict. Men and women of honor on both sides must grapple with the terrible costs and deadly secrets of the spreading cataclysm, and in the shadows, those who will balk at neither treason nor murder drive the conspiracies which pour fuel into the furnace. The stakes are high and the pieces are in motion, but there are factors known not even to the conspirators and not even a Calirath can Glimpse the final outcome.
